

My name is Peter Dorey and I am standing for the position of Douzenier in St Martin.

I am a retired electrician. I have been married to Sara, a St Martin's girl, for over 30 years. We moved back to St Martin 2 years ago, having lived here for 12 years when we first got married and Sara was teaching at St Martin's school. We have 2 children and our daughter also lives in St Martin.

I have been involved with the parish for a long time including being part of the pre-planning of the Community Centre and was on the Management Board. I am now on the Douzaine Property and Environment Committee and have become an active part of the working parties.

I have had a long term involvement with scouting locally and am currently on the Property Management Committee for Rue Mainguy.

I have previously been a member of Christian Aid and was a founding member of the Fairtrade Steering Group. My interests include boating, family and scouting and now I am retired I have more time to put to parish matters.

I consider myself a team player and am happy to work wherever the parish needs me. I am a do-er rather than a talker and when there is something that needs doing, I am there.

Having only had a year on the Douzaine I feel that now I know the ropes I can continue to serve the parish with enthusiasm. If possible, I would like the parish to plant more trees on the land they control and to improve our green credentials.

I would be very grateful for your vote and look forward to getting to know even more of the parishioners.

Feel free to contact me on 235845 for further information.

Thank you.
