

La Cour, Le Courtillet, St Martin, GY4 6DL,
Tel 237000

My name is Ben Gregg, I am seeking re-election to the position of Douzenier in St Martin, having been first elected in 1999, I am currently the Dean of the Douzaine, a position which is by custom held by the longest serving Douzenier.

I have lived in St Martin for almost all of my life, attending St Martin's school, then the Grammar School.

Val my wife, and I have been married for over 54 years, we have two sons who live locally.

My background in engineering and architectural disciplines have enabled me to employ my skills to many Parish projects, namely the complete redesign of the Parish public toilets and the Parish hall car park, also the toilets within the hall to incorporate disabled facilities, along with a new kitchen area. (at no cost to the rate payers) Other projects that I have either led or been part of a team: re-siting of the War Memorial from Le Croix Bertrand to the Parish hall garden, constructing cliff paths at Moulin Huet and perhaps the most challenging, the new path at Saints Bay and the refurbishment of the Parish hall to name but a few.

I would look forward to maintaining my involvement in future projects.

In my time within the Douzaine I have worked with many interesting Douzeniers and Constables which has broadened my outlook on people, and would welcome the challenge if re-elected.

When not involved with Parish matters I try to spend time in my son's engineering workshop every week and I regularly drive for Age Concern.

I would be honoured to serve another term as Douzenier and would appreciate your vote on the 17th November.

Thank you

Ben
