

CYNTHIA CORMACK

Gooder House, La  
Guernsey GY4 6TG

Quevillette, St. Martin.

Dear Parishioner,

I am writing to ask you to be so kind as to go to the St Martin Parish Hall on **WEDNESDAY, 17<sup>th</sup> NOVEMBER 2021** between 10am – 8.00pm and vote for me to become a Douzenier of the Parish of St Martin so that I may represent you and your needs within the Parish.

I have lived in the Parish of St. Martin for over 40 years. Before then my family home was in Town with my parents. I married Christopher, whose family also lived in Town, and as a Royal Marine Officer we travelled the world. When he retired we returned with our young family to Guernsey and chose to set up home in the Parish of St. Martin.

I have served as Constable of the Parish of St. Martin which I thoroughly enjoyed and learnt so much about the Parish. During my tenure as Constable I discovered a quarry that no one knew about and ensured that it was made safe. I made sure that a small connecting right of way was preserved for the people of the Parish. Now I am semi retired I have time to devote to Parishioners and their needs.

Many of you will know me from the super Floral Britain in Bloom, Blooming Good Evening Suppers which John Nicolle organised for 100 + people or so. I was the girl who did the cooking and organising for you all to have a delicious meal and a happy evening in order to help raise funds for the Parish and the wonderful display of flowers around the Parish. I am not a professional cook, but I enjoy catering and I would be very keen to be an active member of the Douzaine Events Committee. I also walk a great deal and I am sure many of you have seen me striding out as I walk to work or shopping.

I am a great supporter of keeping the green fields of St. Martin, GREEN, and our Parish contribution to the biodiversity of the Island. I would welcome the opportunity for more land to be made available for allotments for more people in the Parish to be able to grow their own vegetables and fruit. Although we need more social housing brown sites are where we should be building if we need to build BUT not on precious first class agricultural land.

For many years I used to teach in the Junior School of the old Blanchelande College and have a great passion for education. Children are our future and we need to make sure that our Parish School remains top class. I believe we need to help those in need and that applies not only to those children in Africa but also those in need who are unable to help themselves on our own doorstep.

I like to make things happen and getting results. With the help of Christopher, we have over the years, raised a great deal of money for the only Hospital in Africa dedicated solely to the care of children regardless of colour, race or creed. The Hospital was going to have close, but thanks to the fundraising efforts of the people of St. Martin, friends and organisations the Hospital has turned around and is now flourishing.

On many occasions I been the person doing the “Thought for the Day” on Guernsey Radio and have received many accolades for my “snap-shots” on life. I am also a leader at the Sunday School at the Church which we attend.

I feel very privileged to live in such a wonderful Parish having lived here for the majority of my life; my wish is to ensure that what we enjoy now will still be here for future generations.

I hope you consider me worthy of the honour of representing you for the Parish of St. Martin as one o your Douzeniers.

I would appreciate one of your votes.

Yours sincerely,

Cynthia Cormack MBE
